CRAFTING

Beth Ann McCormick
Program Specialist
Crafting is defined by the dictionary as:

“An occupation or trade requiring manual dexterity or artistic skill”

“To make or produce with care, skill, or ingenuity”

Art is defined by the dictionary as:

“A skill acquired by experience, study, or observation”

“An occupation requiring knowledge or skill”

“The conscious use of skill and creative imagination”

“Produced as an artistic effort or for decorative purposes”

Summer Camp
Arts and Crafts
Art or Crafting
HOW DOES IT MAKE YOU FEEL

• Reduces stress and anxiety
• Trains your brain to **FOCUS** and sparks **CREATIVITY**
• Everyone can do it, no experience required!!
• Can involve the entire family as an activity they can do together
• Anything handmade can be a perfect gift for any occasion
Happy Mother's Day!

Always Your Princess
Review:

What do you think is it just Crafting or Art??
Friend: What are you doing to pass time during the outbreak?

Me: Mostly working on crafting projects.

Friend: What will you do once you run out of crafting supplies?

Me: (Laughing uncontrollably) You aren’t a crafter, are you?
